RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENTCommissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Non-Compliant Amendment was received by Applicant stating that "the amendment filed on June 1, 2006 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121 or 1.4". A copy of the Notice of Non-Compliant Amendment is attached hereto.

No fees are believed to be required. If, however, any fees are required, I authorize the Commissioner to charge these fees which may be required to IBM Corporation Deposit Account No. 09-0461. No extension of time is believed to be necessary. If, however, an extension of time is required, the extension is requested, and I authorize the Commissioner to charge any fees for this extension to IBM Corporation Deposit Account No. 09-0461.

Remarks begins on page 2 of this paper.

REMARKS

The Examiner indicated that amendments to the specification cause the Response to Office Action filed March 14, 2006 to be non-compliant. However, the specification was not amended in the Response to Office Action filed March 14, 2006. Therefore, there are no amendments to the specification in the Response to Office Action at issue to cause the Response to be non-compliant.

The Examiner also indicated that amendments to the claims cause the Response to Office Action filed March 14, 2006 to be non-compliant because double bracket should be used for five and fewer consecutive characters. Applicants submit that all amendments deleting five or fewer characters are presented with the deleted characters enclosed in double brackets. However, Applicants note that a semicolon added to independent claim 1 is not underlined. Therefore, the listing of claims in the Response to Office Action has been corrected to underline all added subject matter. Therefore, the amendments to the claims are in compliance. The Corrected Response to Office Action is attached hereto.
